

# OBITUARIES

PAGE 06

this just in..it's out

In conference with the spirit of Jane Lynch, we lay out the latest deplorable and formerly fashionable now fallen from grace. As always, our opinions are ~~our own~~ right. May they rest in peace.

## THE SUBWAY - CHAPPELL ROAN

She may have found a wig...but she lost my interest. All love and blessings to Chappell but this single just didn't hit for me. (The editors are seeking arbitration for this one.)

## CISSEX

If you're not plugging in, strapping on, or riding something in a manner which defies convention and common sense what's even the point? Goodbye cis, hello asymmetrical pronouns and genitals that would confuse the wokest gyno.

## NATURALISM IN THEATRE

Despite the wonderful evening spent as a +1 press night guest plied with free wine and pizza, this editor just couldn't get past the fact that naturalism in theatre is, naturally, quite mundane.

## THREE PERSON GROUPCHATS

As the old saying goes, three is a crowd. One-on-one messages can be managed and group chats of 5+ individuals can be safely ignored...but a three person channel is a demanding and unstable addition to an already terrifying WhatsApp inbox.

## CHIPS FROM OUR LOCAL CHIPPY

They have gotten a weary Penpoll Gay Guy post-Dalston Superstore through many a night, but these Britannia thick-cuts just aren't cutting it anymore.
