

WANTED FOR CRIMES OF NON-ATTENDANCE

HELEN WOODS

Our favourite flighty SM was nowhere to be seen on the night in question... Sickness or sloth? We put it to you!*

MIRABELLE OTUOZE

East London's dearest South London Social Squatter was bedridden leading to an unprecedented no-show. Wishing the best for Penpoll's lucky charm.*

GRETA NASLENAS

Choosing camping over serving camp, the Eagle failed to land at Penpoll Road the night of the 23rd, despite Roe actually remembering to invite them this time.

IOANA MANEA

Our sickening queen got sick or so she says*. Suspicious circumstances surround her sudden sabbatical.

ISA GIBSON

The call was not coming from within the house this time, but instead from Italy. Will this juvenile jet-setter ever jet-settle down?

MAHVISH MALIK

'Mum Admin' is not a real excuse.
